

Friday 30 October

Here's a quick update on key issues for the Save Our Valley campaign. Thanks for your continued support!

Volunteers wanted

Andy Rowland hopes to meet soon with two Backwell Councillors to discuss opposition to Corridor 2. If you are interested in being part of this meeting to ensure that Councillors realise the strength of feelings about this issue please contact Andy ASAP. Make a noise

Journalist and Wraxall resident Heather Pickstock runs the website www.portisheadpeople.co.uk. Make your voice heard by commenting on the pylons issue as often as you can. Don't forget to use Carol Deacon's site www.nailseapeople.co.uk too.

Write to your District Councillor

So far we've been focusing our lobbying on National Grid and the Town Councils. We also need to make sure the North Somerset Councillors are aware of just how strongly we are against the Corridor 2 proposals. Recruit new members for Save Our Valley

Do pass this Update on to anyone who you think might be interested in joining our cause. Leaflets and the website will be ready soon and in the meantime we've set up a new email address for questions/ideas/new members which is SaveOurValleyBS48@yahoo.co.uk

Expert help wanted

Finally (for now!) is there anyone out there who has Event Management experience and is able to volunteer to mastermind our BIG event at the Scotch Horn Leisure Centre on the evening of Friday 27 November? You'll need a keen eye for detail, the ability to work from home & enthusiasm for our cause! If this could be you or someone you know, do let Sue Turner know at SaveOurValleyBS48@yahoo.co.uk or call 0797 007 8277.

Keep up the fight! Thanks, Sue
